Risk Assessment Procedures

New Level Soccer Group ensure that suitable and sufficient control measures are in place to reduce identified risks in the delivery of all courses/programmes.

All personnel required to conduct risk assessments will be given the appropriate training and/or will be made aware of what is expected of them in advance. All recorded risk assessments are made available to all relevant staff who must ensure that all control and/or recovery measures plans are complied with and related actions recorded.

Where tutors/assessors identify additional risks which were not previously identified, or where a current risk assessment is not in place a risk assessment must be conducted.
